

Centre for Welsh Studies Poll

Topline Summary Document

Fieldwork Dates: 22/05/20 - 31/05/20

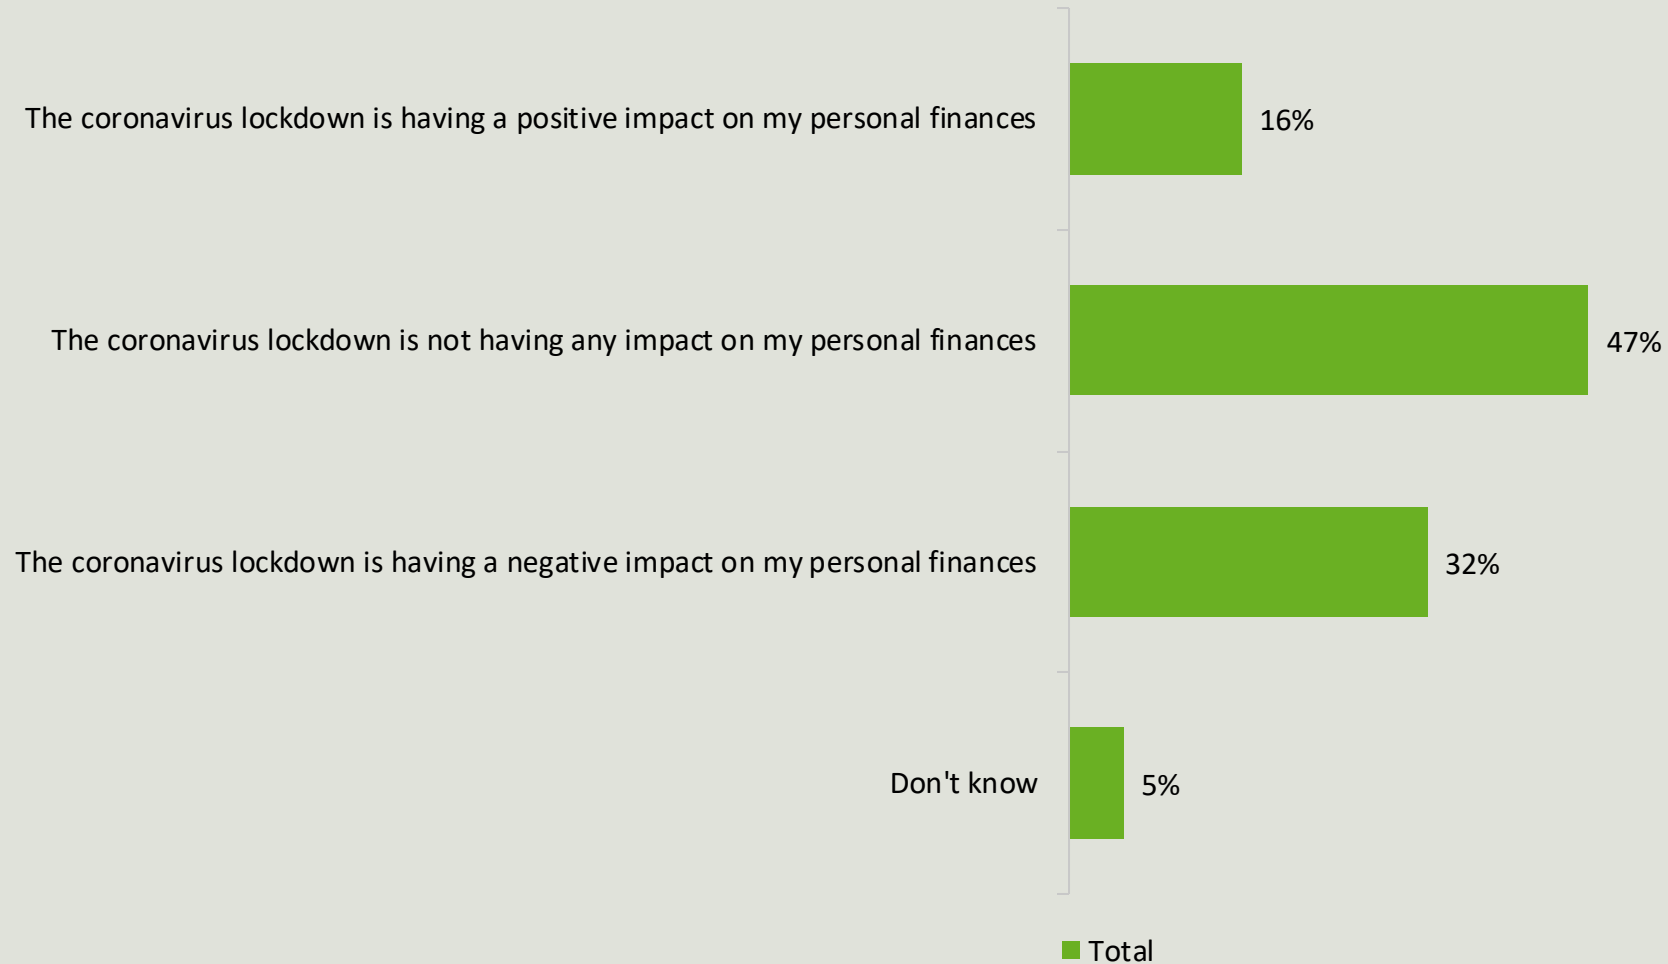

Data Collection Method: The survey was conducted via online panel.

Data were weighted to the profile of all people in Wales aged 16+. Data were weighted by age, sex, Welsh region, 2019 general election vote, 2017 general election vote, 2016 EU referendum vote and 2016 Welsh Assembly constituency vote. Targets for the weighted data were derived from Office for National Statistics Census Data and the results of the 2019 and 2017 UK general elections, the 2016 EU referendum and the 2016 Welsh Assembly election.

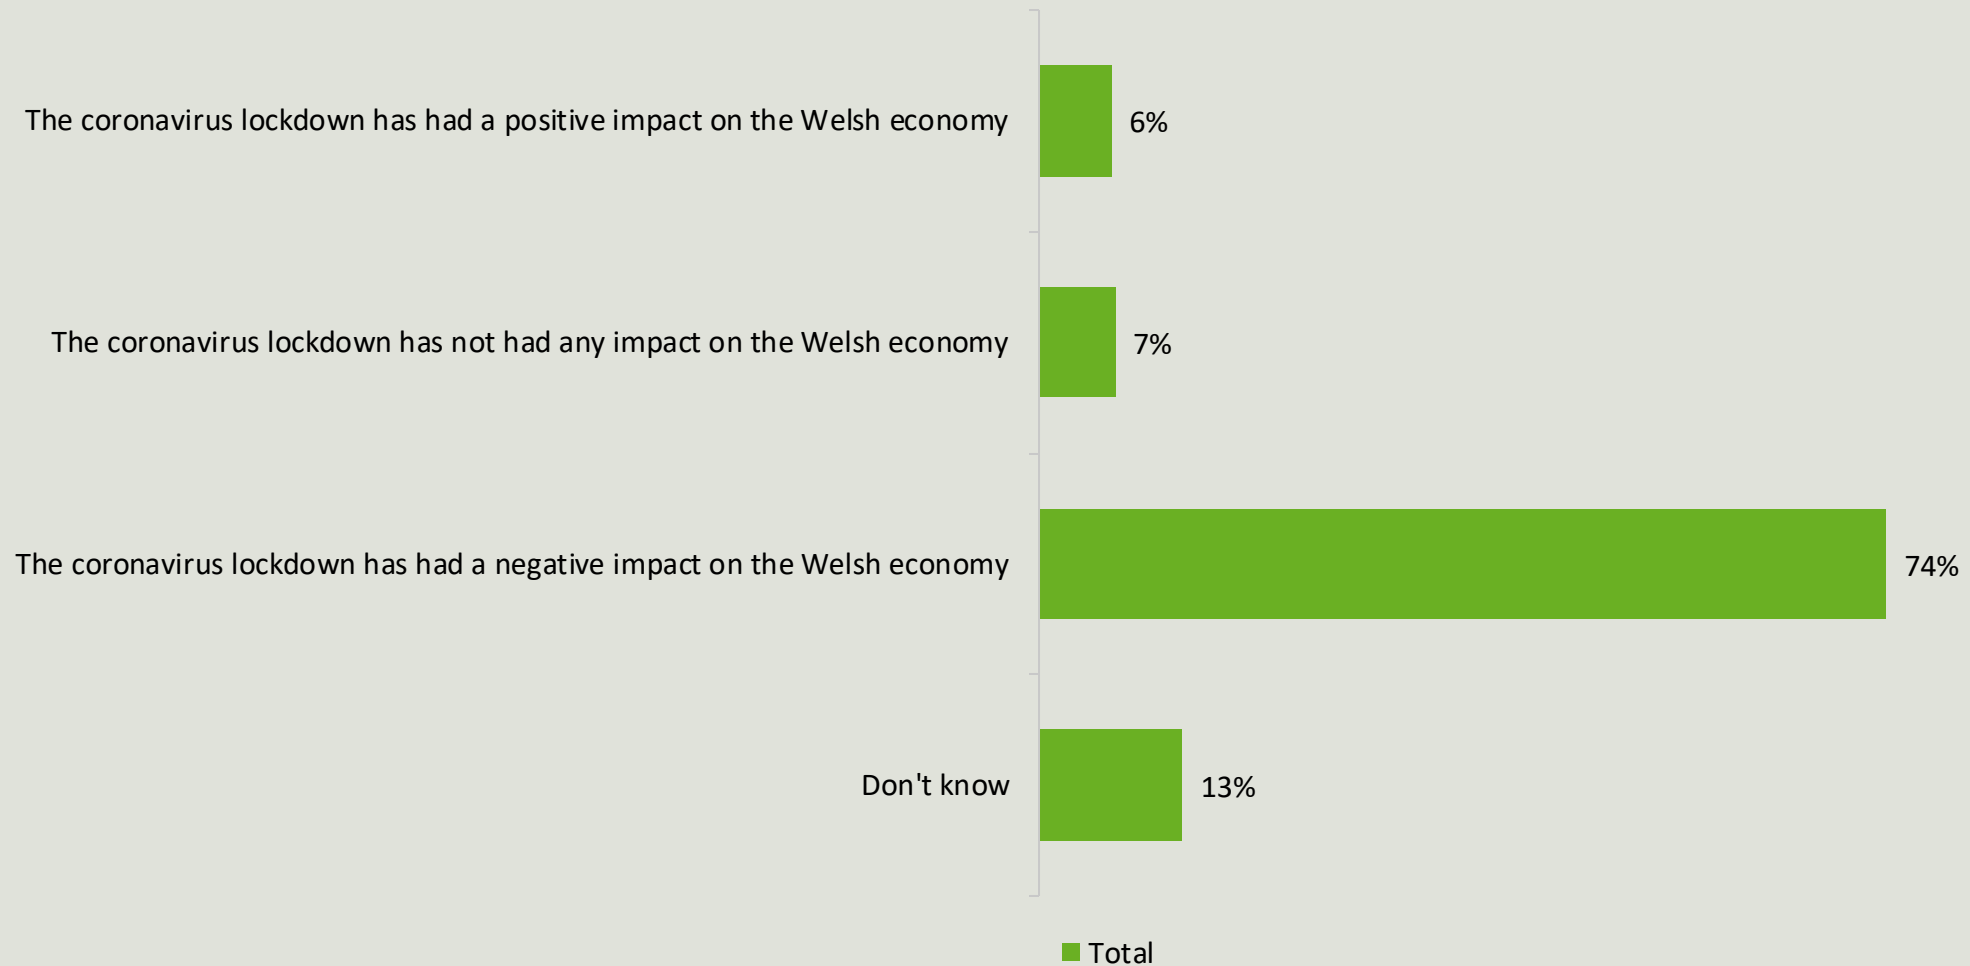

Population Sampled: All residents aged 16+ living in Wales

Sample Size: 1,051
